Berkey's Assessment of Games

1. Name of the game: Wiffle Toss/Tee
2. Source of the game: Softball Coach LE
3. Brief description of the game: Break your students up into groups of five, One tosser, one hitter, and three fielders. The fielders only need to be 10-20 ft away, because of the type of balls used. They are wiffel balls. The kids don't need to lay off their swing, due to the fact that they won't damage the balls. The tosser, or teacher, kneels down off to the side facing the batter, about 4-6 ft, depending on the batter, and just tosses the ball underhand to the batter. Drill may also be done with a batting tee. The only difference is the tosser now sets the ball on the tee.
