

8th Grade Objectives:

Psychomotor 1: Students will perform a shot (TA Form) from a distance of 10 yards, hitting a 3' target with their arrows on three out of five tries.

Psychomotor 2: Students will perform a shot (TA Form) into a 30 foot circular target area from a distance of 70 yards two out of five times.

Psychomotor 3: Five out of five students will retrieve five out of five arrows from the vertical target stand using task analysis form.

Cognitive 1: students will obtain a grade of 8/10, on a written quiz, pertaining to the parts of the bow.

Cognitive 2: Students will identify the four most critical points of a t-form shot (TA style) when called upon in front of the class four out of five times.

Personal/Social 1: All students will demonstrate responsibility by following instructions and verbal shooting cues given by the instructor before and during each shot they take.

Personal/Social 2: Students will demonstrate cooperation with each other by sharing equipment and by giving constructive feedback to their partners on technique every day of the unit.
