

8th Grade Golf Objectives

Psychomotor:

- P1: Four out of five students will demonstrate the proper golf stance (TA style) using a 1-wood driver.
- P2: Students will demonstrate the proper golf stance (TA style) using a 9-iron, 4 out of five times.
- P3: Students will demonstrate the golf swing (TA style) using a short iron club, striking a ball off of a practice mat, to a circular target area from a distance of 40 yards, 3 out of 5 times.
- P4: Student will demonstrate the golf swing (TA style) using a short iron club, striking a ball off of a practice mat, to within ten yards of a specified yard line on the football field, 3 out of 5 times.
- P5: Student will demonstrate the golf putt (TA style), putting a golf ball over a 10 ft. distance between two parallel strings placed 6 inches apart, without touching either string, 4 out of five times.
- P6: Student will demonstrate the golf putt (TA style), putting a golf ball to within 12 inches of a specified target from a distance of 10 feet away, 4 out of 5 times.

Cognitive:

- C1: Four out of five students will correctly name one of the four critical points to the golf stance when called upon as a class.
- C2: Four out of five students will correctly list the four critical points to a golf swing on a written test.
- C3: Four out of five students will correctly describe the motion of a golfer's upper body as he properly performs a golf putt, when asked to do so on a written exam.

Personal/Social:

- P/S1: All students will demonstrate respect for one another by properly critiquing their partner's golf stance and swing when asked to do so as part of the class.
- P/S2: All students will demonstrate proper knowledge of the safety rules by allowing the player whose ball lies furthest from the hole to shoot next, on 5 out of 5 holes.
- P/S3: All students will demonstrate cooperation by taking turns in the downfield exercises, and by providing each member of their team an equal number of repetitions.
