

## Objectives – Fifth Grade Floor Hockey

### Psychomotor

- P-1 Students will demonstrate dribbling (TA) anywhere on the gym floor without losing control for 20 seconds on 2/3 trials.
- P-2 Students will demonstrate dribbling (TA) without losing control during game activity 3/4 games.
- P-3 Students will demonstrate puck handling (TA) while standing in one place for 20 seconds on 2/3 trials.
- P-4 Students will demonstrate puck handling (TA) without losing control during game activity 2/3 games.
- P-5 Students will demonstrate a forehand pass (TA) to a partner 25ft away 4/5 trials.
- P-6 Students will demonstrate a forehand pass (TA) to a partner during game activity 3/4 games.
- P-7 Students will demonstrate shooting (TA) into a net 25ft away on 4/5 trials.
- P-8 Students will demonstrate shooting (TA) into a net with a goalie during a game activity 2/3 games.
- P-9 Students will demonstrate fielding (TA) from another student 25ft away on 4/5 trials.
- P-10 Students will demonstrate fielding (TA) from another student during game activity 3/4 games.
- P-11 Students will demonstrate a backhand pass (TA) to a partner 20ft away on 4/5 trials.
- P-12 Students will demonstrate a backhand pass (TA) to a partner during game activity 3/4 games.
- P-13 Student will demonstrate proper goalie stance (TA) when someone shoots from 10ft away on 4/5 trials.
- P-14 Students will demonstrate proper goalie stance (TA) when someone shoots during a game activity 3/4 games.

### Cognitive

- C-1 Three out of four students will be able to verbally identify one of the four most critical points of stick handling when called upon by the instructor.
- C-2 Three out of four students will be able to verbally identify one of the four most critical points of dribbling when called upon by the instructor.
- C-3 Three out of four students will be able to verbally identify one of the four most critical points of a forehand pass (shot) when called upon by the instructor.
- C-4 Students will correctly rotate to each station during skill work 90% of the time.
- C-5 Three out of four students will be able to verbally identify one of the four most critical points of a backhand pass when called upon by the instructor.
- C-6 Three out of four students will be able to verbally identify one of the four critical points of goalie stance when called upon by instructor.
- C-7 Three out of four students will be able to verbally identify the four critical points of fielding when called upon by instructor.

### Personal – Social

- PS-1 Student will show responsibility by following gym rules 90% of the time.
- PS-2 Student will demonstrate teamwork by working with partner 90% of time.
